You Really Don't Love Me

You really don't love me
it's in your eyes
you really don't love me
it's in your lips
you really don't love me
it's in your hands
you really
you really
you really don't love me
it's in your breast
you really don't love me
it's in your perfume
you really don't love me
it's in your IUD
you really
you really don't

you really don't love me
it's in your soup
you really don't love me
it's in your dollars
you really don't love me
it's in your processed food
you really
you really don't love
you really don't love me
it's in your schools
you really don't love me
it's in your TV
you really don't love me
it's in your magazines
you really
you really don't love me.
